Premium A4 labels for general use

HERMA universal labels adhere securely & reliably, even on cold or moist surfaces.

HERMA Premium labels are PEFC-certified. The perceptibly thicker material makes them easier to remove & apply. In addition, the extra-strong laminate gives them high-speed capability, while the absolute flatness & the all-round protective edge ensure jam-free printing on all laser printers, inkjet printers & high-performance printers & optimum protection for print devices. The extremely high-white paper produces brilliant, sharp print-outs, in B/W & colour. HERMA Premium labels adhere secure & reliable, even on cold or moist surfaces.

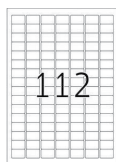

All HERMA A4 labels for general use can be printed quickly and easily with our **free** label software.

WEATHER PROOF & HARD-WEARING

Strong performance even under tough conditions

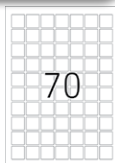

Water, oil, dirt, extreme temperatures - no problem for these hard-wearing labels in white polyester film. Rugged, weather-proof surface can withstand harshest conditions, outdoors or in, when conventional paper labels are not up to the job. Ultra-strong adhesion to any surface. Special laser coating provides for dependable toner fixing and excellent printing results, even on colour laser printers and colour copiers. Ideal for permanent property labelling, shelf labels in storage and production, signage, etc.
